

Scope

This Privacy Policy explains how we collect, protect, use, and share personal information you can provide us for all purposes as listed above and mentioned in this Policy. Therefore, you are exhorted to carefully read this Privacy Policy before providing us any personal information.

Approval

The access and use of this website implies your approval of this Privacy Policy. Whenever you provide personal information, you are giving us the approval for its collection, use, and share in accordance with what is specified in this Privacy Policy.

Information collection

Gruppo Bioimpianti S.r.l. may ask you to provide personal information which will be used only for the purpose and services which are expressly illustrated on our website or on this Privacy Policy. Only personal information voluntarily provided by the visitor it is collected, used, conserved, and shared for these purposes.

Gruppo Bioimpianti S.r.l. may use personal information for direct marketing or other internal purposes, such as communications to our affiliates or also third parties such as sales agents and business associates for further processing, in accordance with the purposes for which the information was originally collected. Therefore, Gruppo Bioimpianti S.r.l. may share personal information with our affiliates as long as these third parties comply this Privacy Policy to protect your personal information and to ensure complete protection of the same.

Gruppo Bioimpianti S.r.l. does not share your personal information with unaffiliated third parties for their own direct marketing purposes.

Most of our services do not require any form of registration so that our website may be consulted without any request for your identity. However, there may be some services that require a registration: in these cases, it is necessary to fill in some fields, some mandatory other optional ones, and to define appropriate credentials such as username and password. In the latter case, if you decide not to complete some mandatory fields it will not be possible to continue with the registration and with the consequent activities for which this is requested.

According to this Privacy Policy, our website has been intentionally realized to be in direct contact with professionals of this field (Orthopedic Surgeons, Nurses, Sales Agents, Distributors, etc.). We do not collect, conserve, or share any personal information of persons are not part of this professional category or of minors.

Transnational transmission

If you provide us your personal information, such information can be transferred out of the country, where the owner of that personal information lives, to other companies affiliated to Gruppo Bioimpianti S.r.l. when this is necessary to satisfy the purpose for which you provided us such data. By providing your personal information, you are giving us your explicit approval to the transnational transmission of data collected to meet the purpose of our use of this data. However, if you are a European citizen your personal information will not be transferred to countries outside the European Union in any way unless it is clearly specified.

Rights of the interested party

According to the Regulation (EU) 2016/679 of the European Parliament on the protection of natural persons with regards to the processing of the personal data and on the free movement of such data, Gruppo Bioimpianti S.r.l. safeguards the rights of the interested party when the visitor provides its intentional approval to the treatment of such data. In particular:

- Right of access by the data subject (Art.15);
- Right to rectification (Art.16);

- Right to erasure (“right to be forgotten”, Art.17);
- Right to restriction of processing (Art.18);
- Right to data portability (Art.20);
- Right to object (Art.21).

To exercise the above-mentioned rights and any other intended right, we invite you to contact us at the following mail address: marketing@bioimpianti.it. According to the Regulation (EU) 2016/679, only the interested person can exercise these rights and our staff will take care of checking your identity in order to avoid any unwanted disclosure of personal information concerning you.

Security and Confidentiality

The security and confidentiality of your personal data matters to us. For this reason, Gruppo Bioimpianti S.r.l. maintains physical, technical and administrative safeguards to protect your personal information from unauthorized access, use and disclosure. Gruppo Bioimpianti S.r.l. evaluates these safeguards on an ongoing basis to help minimize risks from new security threats, as they become known. Only authorized personnel may access to your personal information.

Localization technology

Most of the information we collect from our website is anonymous, such as the pages you visit and the researches you perform. This website uses addresses based on the Internet Protocol (IP) system, generally considered as a system that does not allow making information referable to the specific person. We use the IP system to diagnose problems with our server, report overall information, determine the shortest route your computer should use to connect to our website, and to administer and improve it.

Cookies and Tags

Our website does not provide for the use of Cookies and Tags. Therefore, there is not possibility that the information detected during your browsing online may be used to identify a person.

Copyright on the website

In order to properly manage our website, we are authorized to record anonymous information on our operating systems and to identify categories of visitors depending on the types of domains and browsers. Then, these statistics are communicated to our webmaster to ensure that our website represents the best website experience for visitors and an efficient source of information.

How long are you registered on our Mailing List?

By providing us your approval to collect, use, and share your personal information for Marketing activities by subscribing to our Newsletter on this website, you will remain registered until on our Mailing List until you decide to exercise your right of withdrawal. You can exercise this right at any time by contacting us at the email address marketing@bioimpianti.it or automatically by selecting the link “*unsubscribe from this list*” you can find at the end of each email we send you for this purpose.

Links to other online sites

This website may include links to other websites which do not refer to this Privacy policy for the protection of natural persons with regards to the processing of the personal data and on the free movement of such data. For this reason, Gruppo Bioimpianti S.r.l. suggests you to verify and check the reference privacy regulation for each website you access. Gruppo Bioimpianti S.r.l. has no responsibility for the way personal information is collected, used, and processed on websites different from this one.

Prohibitions

It is absolutely forbidden to send or transmit us any illicit, intimidating, defamatory, obscene, scandalous, exciting, pornographic, or profane material, or any material that may constitute or encourage conduct that would be considered as criminal offense, could raise civil responsibility, or otherwise violate any law. Gruppo Bioimpianti S.r.l. will cooperate with any authority for the respect of the law that requires us to disclose the identity of anyone sending any information or material of this nature.

Updates to this Privacy Policy

This Privacy Policy may be amended at any time in response to changing legal, regulatory or operational requirements. If material changes are made in how personal information is collected, used, disclosed, or otherwise processed, this Privacy Policy will be updated and notices will be provided if appropriate. Any change to this Privacy Policy will be effective at the time of our posting of the notice of the update. We suggest you to check date and revision of this Privacy Policy at the beginning of the document before provide us any personal information. If you do not accept updates to this Privacy Policy, you should stop using our website.

Contacts

If you have any questions, concerns, or comments about our observance of this Privacy Policy, or any recommendations, or suggestions useful to improve the quality of our Privacy Policy, please contact us to the following mail: marketing@bioimpianti.it. We will respond you as soon as possible.
